PHILLIP “DIBBO” DIBBEN

A renowned specialist in rural finance and agribusiness solutions, Phillip Dibben has over 35 years experience in both finance and agribusiness management. Beginning his career in the State Bank, he worked in numerous remote and regional areas across the state in banking and agri roles before establishing his own business to fill gaps he perceived in the financial services industry.

Phillip is a practicing Financial Planner and Mortgage Broker as well as providing agribusiness management consulting. He has extensive experience assisting individuals and families across a range of entities from small business to companies, sole traders and partnerships to complex trust structures.

Evaluative Mediation in Phillip’s areas of expertise is available should advice be required as part of the mediation process.
